List of words and expressions

Lessons for life	Learning from the past
<p> Valuable lessons To get lost in little details Guiding principle A good rule of thumb It's a lot easier said than done To make a point It's stood me in very good stead </p>	<p> To point the way Deliberately At a dizzying speed Reconciliation To strive for To heed The only easy day was yesterday You always have a choice It will all be OK in the end No one has ever become poor by giving Don't sweat the small stuff </p>
Who do you think you are?	Immortal words
<p> First and foremost As and when Bits and pieces Odds and ends By and large Law and order Peace and quiet No ifs and buts In this day and age Rough and ready Heart and soul A chatterbox A control freak A doer A dreamer A drifter A fighter A free spirit A go-getter A joker A planner An outgoing person A worrier A scatterbrain A lazybones A nosey parker A killjoy A smart Alec A silly billy A high flyer A workaholic A troublemaker </p>	<p> To account for one's enduring popularity To coin terms Sanctimonious Succinctly Foregone conclusion Full circle At one fell swoop Seen better days A sorry sight Neither here nor there The world is my oyster Story of my life Larger than life A fact of life All walks of life Having the time of her life Life-saver </p>
